PETITION UNDER 37 C.F.R. §1.137(b)

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

January 17, 2006

Sir:

The above PCT application is currently abandoned in the United States due to failure to commence U.S. national processing by December 4, 2005.

Based on information and belief, the undersigned asserts that the entire delay in filing the required documents to enter the U.S. national stage from the due date until the filing of a grantable petition to revive was unintentional. It is requested that this application be restored to a pending status.

The government fee should be charged to Deposit Account No. 04-  
2223.

Respectfully submitted,

DYKEMA GOSSETT PLLC
